DHS Rates

FY 2018-19 Provider Rates Implementation Frequently Asked Questions (FAQs). These facts provide helpful information regarding the changes Senate Bill 18-254 made to counties' ability to negotiate rates with out-of-home placement providers. Please use these FAQs with caution, however, as they are subject to change. (CDHS issued them on August 9, 2018; revised them on October 10, 2018; and the revisions indicate that updated regulations are pending).
