PATH 1

OPEN D&N TO FYTP

Ongoing jurisdiction in D&N cases: 19-3-205

- *General rule:* JX terminates at age 18.5 unless terminated earlier by court order.
- *Exceptions:* If (a) youth is transitioning to adult services per 25.5-6-409.5, then court *may* extend jurisdiction until transition is complete. If (b) incapacity determination per 15-14-102 is pending or has been made, then jurisdiction *must* continue.

Jurisdiction & Youth on the Run: 19-3-205

If whereabouts of youth in county custody aged 16 but not yet 18 are unknown for more than 90 days, county may file motion to terminate jurisdiction. Court must set hearing **within 35 days of filing of motion** to determine whether county made reasonable efforts to locate youth. Hearing may be waived by stip. If youth returns, motion must be withdrawn & hearing may be vacated or changed to review.

Emancipation Transition Hearing: 19-3-310

Court must hold hearing **within 35 days after 18th birthday of youth named in open D&N**. County must file report **7 days before hearing**. Court must advise youth.² Youth decides to emancipate, request continuance, or opt into FYTP.

If youth chooses to emancipate:

- Personalized emancipation transition plan must be finalized **no more than 90 days** before hearing.
- Follow Emancipation Discharge Hearing & Case Closure Procedures on next page.

If youth requests continuance:

- Court may continue hearing **up to 119 days** (but not past age 18.5) (a) if youth would like more time to decide about or prepare for emancipation or (b) with youth's consent, to improve emancipation transition plan, gather documents & records, or other reasons to allow youth's successful transition into adulthood.

If youth opts into FYTP:

- County or youth may file FYTP petition. Youth chooses whether petition is filed in county (a) where youth resides or (b) serving youth. If county files petition, Roadmap to Success (RTS) & VSA signed by youth & county must be attached. If youth files petition, VSA may be signed by youth only. 19-7-307(1, 1.5, 6).
- D&N closes as to youth.
- Follow Program Case Procedures on next page.

PATH 2: REENTRY

19-7-304(2 & 3), 19-7-306(1)(b), & 19-7-307(1, 1.5, & 6)

Pre-filing: Eligible youth without open D&N case enters VSA with county where youth resides. County must make written referral to OCR for assignment of counsel. OCR has authority to assign counsel prior to filing of petition.

Filing: Within **90 days of signing VSA**, county must file petition. Youth may file petition any time. Signed VSA attached (if petition filed by youth, VSA may be signed by youth only). Follow bellow Case Procedures.

FYTP Counsel

- Path #1: Youth keeps Counsel for Youth (CFY) from D&N case.
- Path #2: OCR authority to assign CFY. If OCR assigned CFY, court must appoint that CFY.
- Note: If court makes diminished capacity finding, youth may have GAL & CFY.
