

Family First Prevention Services Act: Judicial and Legal Practice Considerations

Presented by the Colorado Court Improvement Program
In collaboration with: ABA Center on Children and the Law, Colorado County Attorney's Association, Office of the Child's Representative, and Office of Respondent Parents' Counsel

Join a three-part virtual training series to learn more about how the Family First Act may affect individual roles and cases. Using the ABA Center's [*The Family First Prevention Services Act of 2018: A Guide for the Legal Community*](#), presenters will highlight the impact of selected areas on agency/County attorneys, guardians ad litem, counsel for children, respondent parents' counsel, and judges.
