

**GAL**

### **ROLE**

GALs represent the best interests of a child.

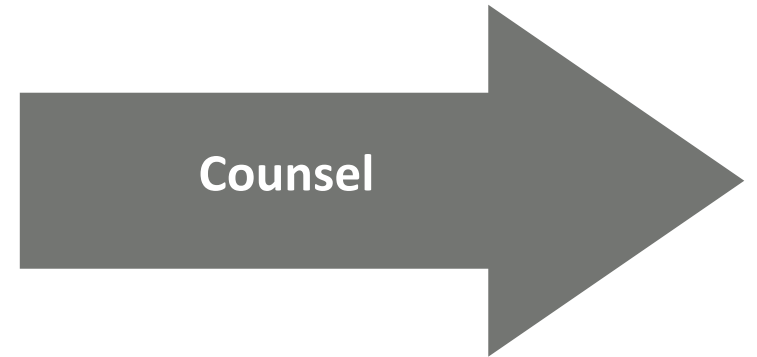

### **OBJECTIVES/GOALS/POSITION**

A GAL considers what a child wants , but the GAL decides what is in the best interests of a child.

### **CONFIDENTIALITY**

A GAL may share the information provided by a child when sharing such information is in the best interests of the child.

**Counsel**

### **ROLE**

Counsel represents a young person in a traditional attorney-client relationship.

### **OBJECTIVES/GOALS/POSITION**

Counsel advocates for the goals/objectives of the young person.

### **CONFIDENTIALITY**

In most situations, counsel must keep information provided by the young person confidential.
