

NOTICE

HB22-1038 and CJD 04-06 require GALs and CFY to provide children/youth developmentally appropriate notice of court hearings and provide GALs/CFY flexibility related to such notice. Ask, “[what timing, content, and method of notice does this child/youth want/need to understand and make informed decisions about their right to attend and fully participate in this hearing?](#)” Options for providing notice include in-person; via telephone, text, or email; and/or in-writing.
