

INTRODUCING THE

Colorado Child Welfare Attorney Academy

Interested in deepening your understanding about the roles and responsibilities of those involved in Colorado's child welfare judicial system and how to meaningfully engage families and work together with all partners?

Explore these ideas and more in this comprehensive virtual learning experience!

What to expect from the Academy experience:

Each training has been crafted for professionals involved in the child welfare legal system. Online modules explore content through the lens of diversity, equity, and inclusion and model a trauma-informed approach, offering interactive activities and a case scenario to explore responsibilities, goals, and approaches you can apply to your work.

Module 1:

Foundations of Collaboration in the Child Welfare Legal Process

Available Now

Module 2:

Integrating Diversity, Equity, Inclusion, Access, and Belonging in the Child Welfare Legal Process

Coming Soon

Module 3:

Shifting Your Lens: Acknowledging and Addressing Trauma Within the Child Welfare Legal Process

Coming Soon

Learning Circles available starting in 2024

CLEs and CEUs available
