Important Definitions:

"Foster care" means the placement of a child or youth into the legal custody or legal authority of a county department of human or social services for physical placement of the child or youth in a kinship care placement; supervised independent living placement, as defined in section 19-7-302; or certified or licensed facility, or the physical placement of a juvenile committed to the custody of the state department of human services into a community placement.

"Noncertified kinship care" means a child is being cared for by a relative or kin who has a significant relationship with the child in circumstances when there is a safety concern by a county department of human or social services and where the relative or kin has not met the foster care certification requirements for a kinship foster care home or has chosen not to pursue that certification process.

"Institution of Higher Education" or "Institution" means a State Institution of Higher Education, as defined in section [23-18-102 \(10\)\(a\)](#); local district college, as defined in section [23-71-102](#); or area technical college, as defined in section [23-60-103](#).
